Airport Secures Flight Instruction Services

Logansport, Indiana – The Logansport/Cass County Airport Authority announced today that it has secured an agreement with HEP Aviation to provide flight instruction and aircraft rental services at the Logansport Cass County Airport. HEP Aviation is owned and operated by local pilot Harold Price and will begin operating July 1. “Flight instruction is important to the airport not only today, but for the future of local aviation” said Tim Dalton, Manager of the Logansport Cass County Airport. Interested students and renters may contact HEP Aviation at 574-735-6344.
